

FORT HAYS TECH | NORTH CENTRAL

Construction Programs Building

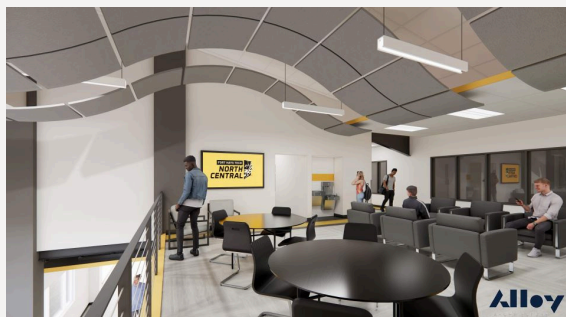

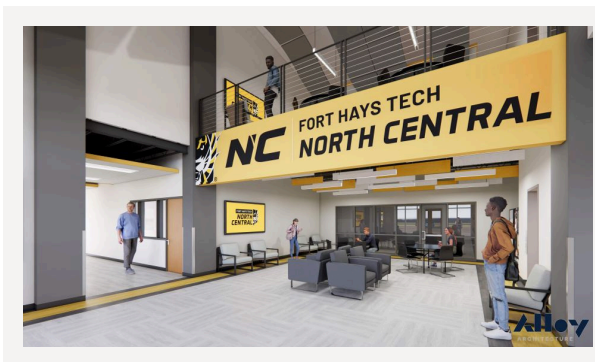

Fort Hays Tech | North Central's new facility will double capacity for the Construction Technology, Plumbing, Heating, and Air Conditioning (PHAC), Electrical Technology, and Commercial Driver License (CDL) programs. The expansion project includes new spaces designed for student enjoyment and provides a centralized location for all classes. Standing two-stories tall and providing almost 30,000 square feet of instructional space, this modern building will prepare a workforce ready to take on in-demand jobs.

TRANSFORM SPACES INTO LEGACIES

Fort Hays Tech | North Central invites you to support the construction of this incredible building. Contributors are provided an opportunity to name objects, features, and rooms within the facility. This allows donors to memorialize their gift, recognize their business, or pay tribute to friends, family, or mentors. Your story can become a tangible part of our footprint, and the possibilities are endless.

LOWER COMMONS AREA - \$75,000

Designed as a grand entrance to welcome all current and prospective students to the Construction Programs Building. Excellent area to immerse into the student community and build lifelong friendships.

UPPER COMMONS AREA - \$50,000

Intended as a multifunctional space for student collaboration and a relaxing lounge area in between classes.

OTHER NAMING OPPORTUNITIES:

- Construction Lab/Workshop - \$100,000
- Electrical Lab/Workshop - \$100,000
- PHAC Lab/Workshop - \$100,000
- Classrooms (6) - \$25,000 each
- Elevator - \$20,000
- Banner in Lab/Workshop - \$10,000
- Bricks for Entryway - \$200
